THE AFRICAN SUMMIT OF HEADS OF STATE WILL BE A KEY MOMENT ON 16 NOVEMBER AT THE INITIATIVE OF KING OF MOROCCO
"The African Summit of Heads of State will be a key moment on 16 November at the initiative of King of Morocco, following the same summit hosted by President of the French Republic at COP21 to concretely commit 10 billion promised by decisions and for Africans by Africans. I'll tell you a secret. I have traveled extensively throughout Africa this year that I know well and where I was born. Well, African countries are among the most mobilized, most creative and the most committed. They are inventing tomorrow's world (solar power Noor) not to repeat the mistakes of polluting and predatory savings of natural resources. Each time, in each country, what I have seen and heard me full of hope, gratitude and admiration. And that is why, in conclusion, I would like to mention the name of Wangari Matthai, great figure of Kenya, Nobel Peace Prize, founder of the Green Belt Movement, a courageous woman, a warrior woman, and spokesperson of this bright idea and if true:----------
“The fight for the environment and the struggle for women's rights are the son of the same stuff“.----------
I share with you, these beautiful words of a committed women who said, when receiving the Nobel Prize, “In the course of history, there comes a time when humanity is called to rise to a higher level consciousness to reach a higher moral ground. It is the time to get rid of our fear and give hope to others. This is it now " So let´s listen up to this message and Let us mobilize and win the battle for the climate“¦/ I trust you“¦/ Segolene Royal President of the COp21 and French Minister of the Environment and sustainable development.
